This News Letter is to let everyone know that Astra/Hammond will be an exhibitor at the SEMA SHOW 2008, continuing a tradition of more than 30 years.

We will be honored to have you visit our booth so you could see first hand the level of craftsmanship and design that our products have.

We would also like to know your opinion about our products and generate some customer and sales representative feedback.

See you all at SEMA in Las Vegas, Nevada.

Booth Location: North Hall

Booth Number: 12027

Times: Tuesday, November 4 – Friday, November 7, 2008
